

# 康伟栅栏式PCB接线端子

产品规格书

| 认证     | UL                  | CE                 |
|--------|---------------------|--------------------|
| 电气性能   | UL                  | IEC                |
| 参考标准   | UL                  | IEC                |
| 额定电压   | 300V                | 750V               |
| 额定电流   | 20A                 | 32A                |
| 导线线径   | 22-12AWG            | 4.0mm <sup>2</sup> |
| 耐电压    | AC2000V/1Min        |                    |
| 绝缘阻抗   | 500MΩ/DC500V        |                    |
| 机械性能   |                     |                    |
| 最大锁紧扭力 | 1.2N.m 10.6Lb.in    |                    |
| 环境温度   | -40℃~+105℃          |                    |
| 尺寸     |                     |                    |
| 间距     | 10.0mm(.394")       |                    |
| 极数     | 2P-20P              |                    |
| 材质及电镀  |                     |                    |
| 塑件     | PA66+23%GF, UL94V-0 |                    |
| 端子     | 黄铜, 0.8mm 镀锡        |                    |
| 螺丝     | 钢, M4镀锌             |                    |
